Dear Sir/Madam:

The following is responsive to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures mailed February 7, 2002. In response thereto, Applicant has provided herewith both a compact disc providing an initial computer readable form (CRF) copy of the sequence listings, as well as a print out of such listings appearing in the application. Applicant respectfully submits that the substitute CRF copy complies with the requirements of 37 CFR 1.822 and 1.823, as verified in the verification summary report, a copy of which is also provided herewith.

Applicants previous amendment of November 14, 2001, is believed to have directed entry of the applicable sequence listings provided herewith into the present application.

Accordingly, Applicants respectfully submit that they have complied with the Notice to Comply mailed February 7, 2002, and request confirmation that the present application will proceed to examination. Early notice to that effect is respectfully requested. To the extent any outstanding issues continue to exist or if further information is required, please direct such inquires to Applicants' counsel listed below.

Respectfully submitted,
